

Annual Report 2018-2019

**CMAVIL site:
Villeta, Paraguay**

Our CMAVIL site seeks to respond to the needs found in vulnerable families, particularly in the peripheral areas of the city and in rural areas of the district of Villeta. Our site also runs a feeding program through an open centre that takes in approximately 74 children in need.

Education

Goals

1. 60 beneficiaries (sponsored and non-sponsored) with learning problems are evaluated and accompanied by teacher's assistants.
